

Funding into capacity. Strategy into working systems.

Praxis helps nonprofits, public agencies, and mission-driven organizations connect the proposal, the budget, the reporting, and the systems that support delivery.

CORE CAPABILITIES

Funding & award administration

Prospect research, proposals, renewals, budgets, reporting calendars, and organized award records.

Finance & operations

Budget-to-actual reporting, reconciliation support, invoice workflows, procedures, and records for accountants and auditors.

Programs & practical systems

Program design, facilitation, partner agreements, dashboards, forms, websites, and workflow improvement.

SELECTED PRINCIPAL EXPERIENCE

\$2.5M / Family resource centers

Secured First 5 Santa Clara funding for family resource centers.

\$2M / Youth behavioral health

Personally authored a successful youth behavioral-health proposal.

\$20M / Organizational context

Supported grant-related finance within a nonprofit with a \$20 million budget.

Prior career examples. Award and organization values are not Praxis contract revenue or guarantees of future results.

A PRINCIPAL-LED ENGAGEMENT

A focused first scope or ongoing monthly capacity, with written deliverables, review dates, and clear responsibility. Hisham leads the work; specialist support is agreed when the scope requires it. Your organization retains approval of submissions and financial decisions.

HISHAM ALI BOB / FOUNDER AND PRINCIPAL

10+ years across fund development, public health, government, and nonprofit operations. B.A., Economics, UC Davis. English, Arabic, and Spanish.

Praxis Strategy Group Inc. is a California corporation established in 2025. Remote delivery from the East Bay; international engagements by agreement.
